**Why support Rotary Pond Hockey Tournament in Miramichi?
(French Fort Cove, Feb. 5 –7, 2010)**

Here's what people say:

"why Pond Hockey is so wonderful for the community....
it brings people together from all over New Brunswick and even further to enjoy the game of hockey and have fun. Also, at the same time you get to meet new people and make friends. It allows fathers and sons and mothers and daughters to play on a team together as a family or with other people as well. Even some co – workers form teams and have fun competing against other businesses. It's an excellent opportunity to spend time with family and friends...."

- 12 year old Max Riebel of Miramichi

"...it was a GREAT idea having the former NHL players in attendance, and I never saw so many grown men turn into little boys so fast..... We all enjoyed ourselves and we look forward to lending our support again next year...."

- Marion Landers, Essilor Atlantic
(2008-09 "Corporate Challenge" sponsor)
